2) Approval of Agenda

Agenda was approved with several changes.

3) Approval of last Meeting Minutes

4) Suggestion regarding presenting courses

One of the Council members suggested asking professors to make a short presentation regarding their courses so that students know what they are choosing. Other ideas like making syllabi and previous teacher evaluations public were brought up. Rai will discuss this topic with the Provost and then the steps to implement this project will be decided.

5) Committees discussion

a. AG campaign

Email was sent to students. The tattoos are already being distributed.

b. Genocide movies

Dates are being decided. Will probably show three movies.

c. Grading and learning panel

A focus meeting will be made. There are 23 participants who presented great topics for discussion.

d. Recycling project

The project is too big. Will probably not finish in this semester. As GSC is also working on it, the Councils will cooperate.

e. Compassion campaign

The campaign is going on. More stickers and posters will be posted in next week.

The meeting went well. There were more people on the meeting than last time.
